The

Senior Class, in order to make more evident the fact that the principles of The National Honor Society are the foundation of our high school, choose as the theme of the 1938 Log its principles: Character, Scholarship, Leadership, and Service.

These are the fundamental virtues most useful to society, and therefore are the most worthy of encouragement.

To show the prominent place these principles hold in every phase of school life and in forward-ing future success is the aim of this publication.

LOG of 1938

COLUMBUS HIGH SCHOOL

COLUMBUS, INDIANA

ALL
AROUND
THE
CAMPUS

Flowers, shrubs, and age old trees grace our campus. Their beauty, with the grace and dignity of the building, is an incentive for honest effort to all who enter the portals of C. H. S.

The three buildings provide an opportunity for cultural, industrial, and physical development of the students.

The proper development of these elements produces the type of character for which National Honor Society strives.

MISS EDNA FOLGER

To the worthy sponsor of National Honor Society— —
to a woman loyal, sincere, understanding; a cheerful leader whose
radiant personality gains her the support of the student body;

To you, Miss Folger, the senior class respectfully and sin-
cerely, dedicates The 1938 Log.

THE POWER BEHIND THE THRONE

HISTORY OF THE NATIONAL HONOR SOCIETY

The first high school honor society, having as its primary aim the encouragement of high scholarship, was Phi Beta Sigma, organized in 1903 by five girls of high scholastic standing in South Side Academy in Chicago. Soon honor organizations were formed in various parts of the country, as the high schools had long been desirous of emulating the activities and accomplishments of Phi Beta Kappa, the honorary fraternity, in colleges.

The movement spread rapidly. In some sections of the country a number of schools agreed upon the same standards for their organizations. After the successful operation of such societies was noted by educators, the National Association of Secondary School Principals, at a meeting in 1919, considered the organization of a national honor society.

The committee appointed faced the problem of providing an organization broad enough to meet all of the varying needs of the numerous societies already formed. Scholarship only seemed too narrow; therefore, character, scholarship, leadership and service were decided as the fundamental principles most worthy of encouragement. Consequently, the National Honor Society was founded in 1921 at the Atlantic City meeting of the National Association of Secondary School Principals.

This society has made a rapid growth, having today more than twenty-two hundred chapters with a total membership of two hundred fifty thousand in various states of the United States, Porto Rico, Hawaii and Philippine Islands.

Now chapters of some states have organized state associations and hold conventions for discussions and interchange of ideas.

Due to the expansion of this organization, two enterprises were launched last year. First, a Revolving Scholarship Loan Fund was established for the purpose of aiding members in securing higher education. Forty scholarships of two hundred dollars each are available only to members in the upper three years of college, preferably the third and fourth. They are made upon the basis of financial assistance required and the level of scholarship maintained. Second, the first publications of "Student Life" appeared in October, 1937. This periodical deals chiefly with student activities and projects in the American high schools.

The Columbus Chapter of the National Honor Society was granted its charter in June, 1928. It has at present two hundred eighty-one graduate and active members.

THE PURPOSES OF HIGH SCHOOL

"In the lives of most people the years between fourteen and eighteen are of utmost significance for it is during these years that most youths acquire habits and attitudes, make decisions, have experiences, acquire friendships, which for better or worse, will determine their happiness and success during the remainder of their lives.

Secondary schools are maintained to the end that young people may, during these important years, live their lives richly and wholesomely, learn about themselves, their fellows and the world they live in, become seekers after truth, and helpers in the common cause.

While some of the students of the Columbus High School have not taken full advantage of their opportunities yet many graduates of this school have won distinction and a host of others are bravely and successfully carrying on the work of the world. It should be the first duty of everyone connected with this school to protect the chance of every student to attain scholarship, self mastery, worthy ideals, and a proper regard for the rights and welfare of others."

Mr. Donald Dushane.

Our schools prepare youth to take up adult living; but life is complex. Our greatest thoughts and our smallest actions are conditioned by our inheritance from the past and by our contemporary environment. Plato, Magellan, Washington, Jefferson, Mendel, Edison, Ford—shape our daily lives. Athens, Rome, Nazareth, London, Paris, New York—all dominate Columbus, Indiana. This complexity of influence, however, is focussed simply enough upon a single purpose—the enlightenment and well being of mankind. It would seem that scholarship, the learning of these civilizing forces, would be the sole fundamental of our schools. And it would, if youth were to be trained for observance rather than for participation. But the actual living of life demands in addition to scholarship, or learning, the other great qualities which have characterized the contributive efforts of men and of cities toward civilization. These qualities the National Honor Society For Secondary Schools has recognized and emphasized. Columbus High School is proud to work under the keystone marked banner of the organization and to give primacy to scholarship, character, leadership, and service.

Mr. Harley E. Talley.

WHY THE NATIONAL HONOR SOCIETY?

Many ask the relation between an Honor Society and high school. We endeavor to make this relationship clear.

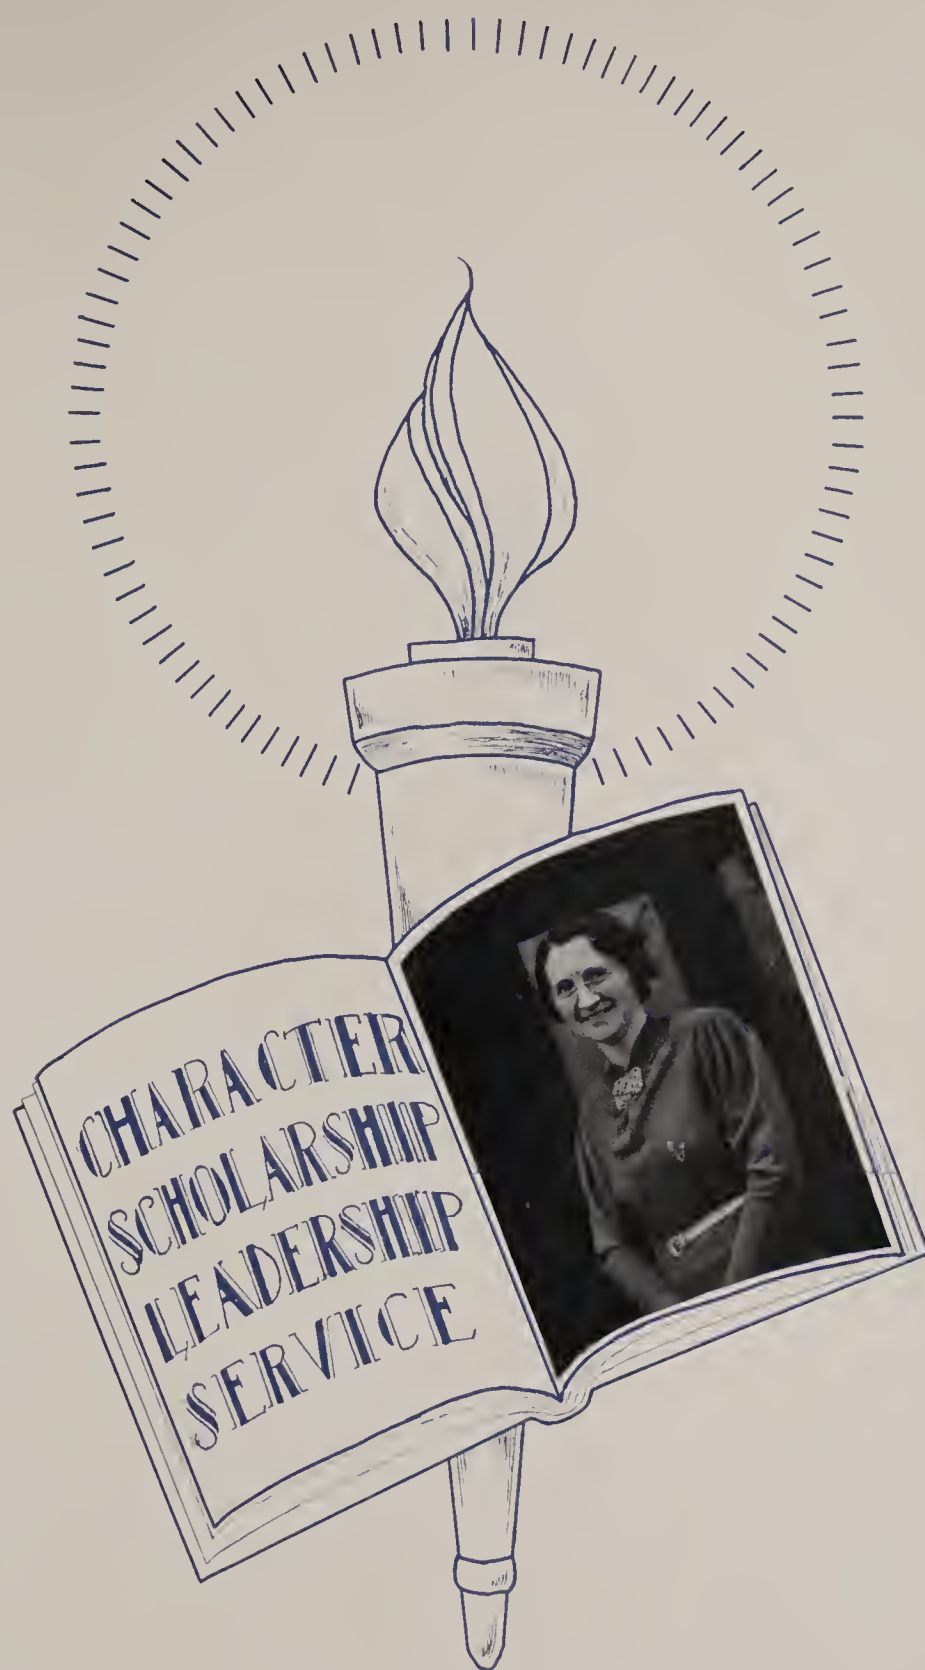

In order to show some recognition to students who possess attributes which are the foundation of a successful life, The National Honor Society was formed.

The purpose of the organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character. These four objectives are not the only ones, but they do form a basic foundation on which schools should stand.

By instilling these principles and honoring those who possess them, National Honor Society furnishes an impetus for learning and a goal to be attained.

CHARACTER

Character is that distinctive quality or trait that makes or breaks a man. Character is achieved and not received. It is the product of daily striving to be in reality what you wish to appear.

A student may gain recognition in character by demonstrating such qualities of personality as honesty, reliability, and morality; and by meeting his obligations to the school promptly and wholeheartedly.

Thus when National Honor Society chose the principles of its organization, it declared, "First comes scholarship; greater than scholarship is leadership; greater than leadership is service; and the combination of these is character".

???????

Therewithal you have the Juniors—next year's edition of dignified Seniors.

One more year of High School, and then—? Does that question mark apply to you, or do you know what your life work is to be? Do you contemplate college? Do you want to be a farmer? doctor? lawyer? or just—?

It makes no difference what occupation you intend to pursue, if you have achieved success in your high school career. How do you measure this success? In pounds? Inches? Popularity? Perhaps, but we doubt it.

High school success is measured by the highest honor that can be conferred on a high school students, membership in National Honor Society.

Yes sir! If we had a hat on we'd promptly take it off to those Junior individuals who have dedicated their high school careers to the cultivation of honorable ideals, with the hope of someday receiving recognition. Perhaps their hopes will never come to realization, but those Juniors who aspire to Honor Society and its ideals will find the road that they must travel in one short year much easier to traverse.

JUST SOPHOMORES

The Sophomore class is represented in scholarship, leadership, character, and service by quite a few students. Phyllis Davis, Martha Mace, Cathryn Winton, Margaret Scott, Adrienne Wiseman, Mary Ellen Smith, Elmer Tekulve, Hulda Enzinger, Sylvia Wade, Kenneth Spaulding, Charlene Cook, and Edythe Morris lead the sophomore class in scholarship, having grades E or E-.

LEADERSHIP

What constitutes a leader?

One who leads must possess initiative, executive ability, and influence, as well as high ideals.

A leader is resourceful in proposing new ideas for the betterment of the school. He demonstrates his executive ability by successfully holding positions of responsibility, and promotes organization of his fellow students to forward school projects.

He exerts his influence to inspire his classmates in upholding the standards of the school in the classroom, on the field of sport, and in social activities.

Because leadership is so important to the school and the community, National Honor Society declares, "Greater than scholarship is leadership".

SERVICE

Service is the highest privilege of life and one of the chief ends of education. As the Great Master of old said, "Whosoever of you will be chiefest, shall be servant of all."

Service is the cheerful and enthusiastic rendering of any possible help to the school. It may be given in response to a request or be the generous offer of a pupil sincerely interested in the success of the whole school. There is ample opportunity for service to be expressed in the helpful acts performed for the teacher, office force, new pupil, visitor—in short, to anyone or anything that makes for happiness and efficiency in the school.

Those who actively participate in competitive sports, debating, music, school publications, club activities, and class officers, render unselfish service to the school.

In National Honor Society, "Greater than leadership is service".

In this we are serving the school. Let us not forget that we can also serve by doing our part in the activities and forwarding school projects.

FRESHMEN ON TO VICTORY

Freshmen in three more years, you'll be through high school, then what? Some to college, some here and there! Let's make our four years here so good that they will remain a monument in our memory. The principles of National Honor Society are something to strive for. We are slowly acquiring scholarship. Let us lead, serve, and develop character.

SCHOLARSHIP

Scholarship, according to Webster, is the quality of work done by a student. This work may be high or low, according to the ability or effort expended by a student; but to become a member of National Honor Society, it is necessary to rank scholastically in the upper third of his class.

Since students who excel in athletics, dramatics, or some other phase of activity receive constant applause from the student body, National Honor Society chose scholarship as one of its principles. It chose to honor this student who finds interest in more thorough learning, and through honest effort excels in knowledge—thus it hopes to create enthusiasm for scholarship.

The students who excelled in scholarship received no such acclaim until National Honor Society gave recognition to them by making scholarship its first requirement.

NATIONAL HONOR SOCIETY

This year The Log chose to educate underclassmen in C. H. S. in the why's and what's of National Honor Society, and to show the relation between high school and an honor society; therefore, it is the theme of our annual publication, The Log.

The principles of the organization are: Character, scholarship, leadership, and service. Through these it proposes to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of C. H. S.

In March, 1929, this chapter of the National Honor Society was established and the charter members were chosen.

Any junior or senior in the upper one-third of his class scholastically is eligible for membership. Other things that form a basis for choosing the members are the principles of the organization. Membership is limited to five per cent of the 11A's, ten per cent of the 12B's, and fifteen per cent of the 12A's.

Although every teacher in high school may recommend students who are eligible for membership, there is a Faculty Council who chooses the members. It is composed of: Principal Harley E. Talley, Miss Edna Folger, Miss Maude Davis, Miss Carrie Ong, and Mr. William D. Hennessy.

Officers for the second semester are: President, Harold Michael; vice-president, Roy Stillabower; secretary, David Logan; sergeant-at-arms, Robert Snyder; and treasurer and sponsor, Miss Edna Folger.

QUILL AND SCROLL

The local chapter of Quill and Scroll, International High School Journalistic Honorary, was established in April, 1930.

Membership in this society represents the highest honors that may be conferred on any high school editor or reporter of various high school publications.

This year for the fourth time the members of Quill and Scroll published "The Columbus High School Directory", listing the names and addresses of all teachers and students, naming the clubs and telling their purpose, the membership limits and the officers of each group.

Quill and Scroll is sponsored by Miss Evelyn Seward. The officers for this year are: president, John Strietelmeier; vice-president, Betty Daugherty; secretary, David Logan; treasurer, Anna Lohmeyer; sergeant-at-arms, Joe Tom Avery.

NATIONAL FORENSIC LEAGUE

In April, 1933, the local chapter of the National Forensic League was established by Miss Mildred Murray, sponsor, for the purpose of promoting interest in interscholastic debate, oratory, and public speaking.

As in all other honorary organizations there are requirements for membership. To be eligible for membership, a student must be in the upper-third of his class, and have earned at least fifteen points in oratory or inter-school debating.

Eight debaters met all requirements of membership this year.

Officers for this year were: David Logan, president; Virginia Wells, vice-president; Robert Stambaugh, secretary. Miss Murray, sponsor, acts as treasurer.

HI-Y

The local Hi-Y organization is a junior branch of the Young Men's Christian Association. It was organized in 1924.

The dream of the club is to create, maintain, and extend throughout the school and community high standards of Christian character.

The Hi-Y group is considered one of the most active in the high school. One of its chief services is the policing of streets and exits on convocation days. Every day they patrol the halls during class. The members control the Penny Line and assist during the tuberculosis and dental clinics. This year the group sponsored a series of speeches by Dr. Dean C. Dutton.

Present officers are: President, James Prewitt; vice-president, Donald Shumaker; secretary, Ernest Grider; treasurer, Bob Rogers; Mr. Rees is sponsor and Mr. Fleming is assistant sponsor.

P. H. C.

For the girls of C. H. S. who are interested in promoting girls' athletics and general health, the P. H. C. was organized in 1922 by and under the name of "Pat" Hanscn, physical education instructor at that time.

Membership is limited to twenty-four girls. The four requirements for membership are: a C grade in physical education the previous six weeks, a passing grade in all academic subjects, membership in the Girls' Club, and activity in sports.

The annual project of P. H. C. is that of having charge of the check room at home basketball games. New white smocks were ordered this year for those in charge.

Each Monday and Wednesday the Owls take charge of room 102 under the direction of Miss Mildred Murray. The meetings are spent in educational speeches, debates, discussion of current topics, and impromptu speeches.

Membership is limited to twenty-four, and in order to be eligible for membership a girl must have four credits and an average grade of C or above.

Present officers are: President, Mildred Mabe; vice-president, Jane Williams; secretary, Virginia Wells; assistant secretary, Martha Carson; treasurer, Anna Lohmeyer; and sergeant-at-arms, Charlene Cook.

FORUM

Forum, the oldest organization in Columbus High School, was founded in 1911 by Superintendent R. F. Fitzgibbons for the purpose of fostering interest in parliamentary procedure and public speaking.

As a project, the Forum members have charge of assembly 204. Although the teachers were present the first semester, they were relieved of the duties of presiding over the assembly. At the beginning of the second semester, Forum took complete charge of 204, and the faculty members were assigned to assembly 109.

Officers are elected at the end of each semester. The officers this semester are: President, Monte Carpenter; vice-president, Leif Knudsen; secretary, David Logan; treasurer, Frank Huffman; and sergeant-at-arms, Bob Stambaugh.

Mr. W. D. Hennessy is the present sponsor.

THE GIRLS' GLEE CLUB

One of the new clubs formed at the beginning of this school year is the Girls' Glee Club, organized by Mrs. Russel Goucher, to encourage a wholesome recreation through satisfying self-expression; to mold and guide the inner life through contact with the beauty in music, and to provide a socializing haven for the group.

There are no limits or requirements for membership, and any high school girl may belong.

The emblem for the 58 girls is the Treble Clef sign.

During the first semester Mildred Snyder led the club, with the help of the vice-president, Juanita Cathers; secretary, Rebecca Hughes; treasurer, Mildred Hoeltke; and parliamentarian, Ruby Lykins.

THE BOYS' GLEE CLUB

The Boys' Glee Club was organized in 1933 by Miss Ida Edenburn. Its thirty-two members meet weekly in the music room of the Junior High Building. The membership is not limited and is open to all boys who are interested in singing and chorus work.

The project of the club is the presentation of a minstrel show, "Minstrel Kapers", with Miss Edenburn directing the singing; Mr. Russel E. Goucher directing the instruments; and Mr. Arnold Miller directing the acting and staging of the production. The club is also making some out-of-town appearances.

Membership is not limited and is open to any girl who is taking or has taken home economics, or has completed one year of 4-H work.

This year a "Paper Week" was held to raise sufficient funds to become a sponsor of the Girls' Club.

Officers for this semester are: President, Wilma Jean Schuder; vice-president, Dorothy Dilts; secretary, Rosalyn Taggart; and treasurer, Dorothy Forster.

FUTURE FARMERS OF AMERICA

The local chapter of the Future Farmers of America has been the most outstanding chapter in Indiana for the past two years. As its project each year the club manages the school farm.

The club aims are: to promote vocational education in agriculture, to create a love of rural life, to develop leadership, to promote scholarship, and to encourage recreational and educational activities.

Social activities of the club are: the annual Father and Son banquet, the Home Economics-Future Farmer party, the annual picnic and trips to the farm machinery school and corn judging contests.

The club elects officers once a year. The officers are: President, John Trotter; vice-president, Harold Keller; secretary, Carl Arnholt; treasurer, William Davis; and reporter, Carl Pfeifer.

THE COMMERCIAL CLUB

The Commerical Club was organized in 1929 by commercial instructors, Miss Beatrice Crowe and Miss Kathryn Hofer, for the purpose of enabling Commerical students to study problems of the business world from a less technical viewpoint than that of the school-room.

Each year the club presents a Christmas basket to a needy family. Any profits derived from various activities of the club are used to help buy new equipment for the Commerical department. The club is also one of the sponsors of the Columbus Girls' Club.

Officers for the second semester are: President, Helen Van Wye; vice-president, Dorothy Forster; secretary, Delores Burbrink; and treasurer, Mildred Hoeltke.

Miss Beatrice Crowe is the club sponsor.

F. C. A.

The Future Craftsmen of America is a brother organization to F. F. A. The charter was obtained by the local group in 1936, and was one of the first to be granted in Indiana.

The motto of F. C. A. is "Skill-Industry-Honor". The members believe in creative work that adds to the comfort and glory of our country. It is their belief that producing or creating mechanical things is just as cultural as a work of art or literature. They believe, too, that happiness lies in work and achievements; whether they be of a serviceable nature or just the result of creative effort.

Officers of the club are: president, Everette Wagner; vice-president, Billie Schoonover; secretary, Robert Pettit; treasurer, Robert Eickbush.

Mr. A. E. Jackson is club advisor.

SUNSHINE CLUB

For girls interested in spreading sunshine; developing a high standard of womanhood, and being helpful and useful, Miss Elizabeth Bond organized the Columbus chapter of the Sunshine Club in the fall of 1934.

Membership is not limited and is open to any high school girl.

Twice a year impressive candle light initiation services are held in the high school auditorium. When new members are initiated, each is given a ribbon bow of yellow and white which are the colors of the club. The yellow represents sunshine; the white represents purity.

Officers elected for this year are: president, Jean Harden; vice-president, Betty Higgins; secretary, Betsy Rogers; and treasurer, Mildred Dietrich.

SPORTS CLUB

The Sports Club was organized by Coach Boots and Coach Adams in September, 1937. The purpose of the club is to stimulate an interest in athletics and good sportsmanship.

The club holds weekly meetings in the gymnasium, with several of its members attending only bi-weekly because of the other club affiliations. During the winter at their meetings, the members play basketball. The members of the varsity ball teams are the officials and in the programs the group hears speakers from different colleges.

The club project for the year was the managing of a collection drive to obtain money for the purchase of two flags to be used on the stage of the gymnasium.

ORCHESTRA

For the first time in many years, Columbus High School is able to boast of a first class orchestra. This organization meets every Tuesday and Thursday during the sixth period, under the direction of Mr. Russel E. Goucher.

When Mr. Goucher joined the school faculty this year, he became the instructor of classes in instrumental music that were added to the school curriculum. Credits that count toward graduation are awarded for work in these classes.

The student body has looked forward with great anticipation to a performance by the orchestra since the director has made such a good band from the musically talented students of C. H. S.

The orchestra will show its talents to the student body during the spring festivities. The repertoire will consist of overtures, marches, and romance music.

BAND

This year, for the first time, Columbus High School has had a full time orchestra and band director. He is Mr. Russell E. Goucher. He has made a fine playing and marching band out of an unorganized group.

The band has made several trips to out-of-town ball games, as well as playing at all the home football and basketball games. Snappy band drills on the field and playing floor have been very impressive to the audience.

Since September the organization has doubled in size. The instrumental music class had served as a constant feeder to both the band and orchestra.

This season the squad participated in non-decision debates with Rushville, North Vernon, Greensburg, and the Soldiers' Orphans Home at Knightstown. In decision debates they won over Shelbyville and over both the negative and affirmative teams of Paris Crossing. They lost decisions to the Knightstown Soldiers' Orphans Home, Shelbyville, and North Vernon.

Miss Murray is attempting to schedule other debates for the group during the remainder of the season.

Columbus entries in the district that met at North Vernon were: affirmative, Don Chrisman, Bob Stambaugh, with Elaine Berger as alternate; negative, David Logan, Charles Wells, with Clara Denny as alternate.

FOOTBALL HIGHLIGHTS

This year's football squad, under the able promotion of Mr. Glen Adams, came through with flying colors.

Henry Bush saved the game for us against Bloomington and should receive much credit for his fine work during the season.

John Boyd's "fancy" intercepting is not to be forgotten. That was during the Southport game. But aren't we proud of John in any field of sport that we find him?

Don Rutan made a touchdown the one and only time that he carried the ball during the season. But he was in there "fighting" all the season.

"Bud" Prewitt holds the title for scoring for the team. He seemed to be the power behind the throne.

Eight of the eleven composing this year's squad will graduate.

Next year's experienced men include Wayne Hill, Don Rutan, and John Pennybaker. Next year's schedule includes: Seymour (only one game), Shelbyville, Connersville, Rushville, Plainfield, Bloomington, and Southport.

Down half of H—John Boyd, Bob Fushelberger, Student Manager, Dean Williams.
 Top row S—Howard King, Lee Perry, Harry Beaman.

THE COACH SAYS

"The 1937 football season, from a coach's angle, was truly a pleasant one. Contributing factors—a squad of fine boys—several with one or more seasons' experience with many others, some playing their first season, making up for their lack of experience with hard work and a keen desire to learn. Splendid co-operation was given by school authorities, students, and fans.

"On the won and lost basis—six games won, two lost. Much more lasting, however, will be the lessons learned and habits formed—lessons in self sacrifice and habits of fair play no matter what the game may be."

—Coach Glenn Adams

ON THE FIELD AT
SEYMOUR

WHAT HAPPENED

Is C. H. S. proud of the Prewitt-Boyd combination? The answer is, "and how"! This year found John Boyd filling a place on the All State Team and Stars All Final Team. What better do you want?—unless it's "Bud" Prewitt, the best defensive man in the state. With a record like that, "dear old C. H. S." has a good reason for bragging about its netmen.

John (Scoring) Boyd racked up a high average of 12.5 points per game; Prewitt was his nearest competitor with 8.9 average.

The Dogs ended with second place in the South Central Conference. With a rating of 8 won, 3 lost, Columbus bowed only to Martinsville, Greensburg and Greencastle.

This season found us playing against Seymour, (two games, lost both); Martinsville, (two games, lost both); Franklin, (won two games); North Vernon, (two games, lost one); New Albany, (lost); Shelbyville, (two games); Tech; Greensburg, (two games, lost one); Greencastle, (two games, lost one); Connersville; Southport; Rushville; Bloomington; and Cathedral.

No. 11—Johnny Boyd shooting foul. (It was a good one.) No. 4—McKinney. No. 10—Jordan.

Captain Prewitt out on personals. No. 4—McKinney, No. 11—Boyd, No. 9—Hayworth, No.

BULLDOGS

First Row—Jim McKinney, Earl Spiece, student manager, Mr. Boots, coach, John Boyd, Bill Hayworth.

Second Row—Bud Prewitt, Eugene Coleman, Harold Western, Chester Brown, Maurice Jordan, Clark Townsend, Frank Johns, Don Shumaker, Howard Tomlinson.

HOW WE STAND

On the won and lost basis, the Bulldogs won thirteen and lost seven games. Although the first of the season found Coach Boots battling against odds and losing several of the first games, by tourney time the varsity "had what it takes". At an invitational tourney held at Martinsville on New Year's Day, Columbus won the first game but was defeated by Martinsville in the finals.

In the Shelbyville game on December 15, Jim McKinney entered the regular line-up. Although he was new to Columbus, he had played on Wiley High School Team of Terre Haute. By the end of the season he proved himself worthy of any and all the praise that could be given him. It is not to be forgotten that Hayworth and Jordan played a big part in the games. We have them to do the leading next year.

Besides Hayworth and Jordan, next year's experienced men will be Townsend, Rush, Brown, Western, and Coleman.

Columbus fans hold just as high hopes for the '38-'39 team as they did for the '37-'38 team.

PUPS

The Bull Pups, through Mr. Gilliand's coaching, have had a very successful season this year. Out of 19 games they won 13, tied one, and lost five.

The Bull Pups defeated Jackson Township 34 to 21. Jackson Township defeated North Vernon's regulars in the sectional.

Other teams the pups defeated are: Franklin, Technical, Greensburg, Connersville, Rushville, Southport, North Vernon, Bloomington, Seymour, and Cathedral.

Martinsville, Seymour, North Vernon, Shelbyville, and Clifford are the only teams that defeated the pups.

One of the most thrilling games of the season was the overtime game with the Shelby seconds. The score was 28 to 28.

This is Mr. Gilliand's first year of coaching, and he has shown the fans of Columbus how capable he is as a coach.

High scorers on the Pups were, Eugene Coleman, Junior Rush, Clark Townsend, Bill Western, and Don Shumaker. Other members of the team are Bob Fivecoats, Don Woody, Wayne Hill, Melvin Coleman, and Chester Brown.

BULL PUPS

First Row—Robert Fivecoat, Harold Western, Eugene Coleman, Homer Rush, Wayne Hill.
Second Row—Mr. Gilliand, coach, Donald Shumaker, Donald Woody, Melvin Coleman, Chester Brown, Henry Blessing, student manager.

WHAT THE COACH SAYS

"At this time I am just finishing my fifteenth year of close association with basketball. Those years have been occupied with playing, observing and coaching.

It has been my good fortune to have been connected, or to have played with, many outstanding figures of this great game. Each passing year has served to make me a more ardent advocate of this fine sport. The Bulldogs this year have, I am sure, created for many Columbus fans the same love for the game that association with other great teams has done for me. I am glad that I can truthfully say I believe they were the greatest team Columbus has ever had.

It is with regret that I think of the passing of the "field goal twins", Boyd and Prewitt; but it has been a great pleasure to have helped fight so many battles with them on my side.

McKinney, Johns and Tomlinson will not be back next year. Although McKinney spent only one year with us he proved one of our best offensive threats and always came through when points were most needed. Johns spent three years with the Bulldogs and will be missed next year. Tomlinson was seriously handicapped by a knee injury received in football which probably kept him from being a regular.

Jordan and Hayworth are juniors and have one more year to play. Jordan showed such great improvement this year that he is expected to be one of the best next year. Hayworth's speed and ability to hit the basket made him a very valuable regular.

Townsend, Brown and Rush are freshmen and have three more years to play. Townsend played three quarters of the South Side game in the State Tourney and was the only freshman to see action in the entire tourney.

Prospects for next year are good. It will be a long time before we forget the 1938 edition of Bulldogs but we will be forever striving to equal the standards they have set for us in winning games, sportsmanship, team spirit, and loyalty."

George H. Boots.

BULLDOGS GO TO STATE

Coach Boots and the Bulldogs took all the honors this year. At the Shelbyville Sectional, the Dogs came forth with a twenty point lead.

At the Regional, in a hard fought game against Greensburg the Boots-men came out with at least a ten point margin. Against Franklin, the C. H. S. netmen won with 10 points to their advantage.

Boots led his boys to the Semi-finals. The first game against Anderson was won by a mere 2 points margin. The Greencastle boys met C. H. S. Dogs and were defeated by eight points.

The following Saturday for the first time in the history of the school, coach Boots again journeyed to Indianapolis. It was the State Tourney. South Side of Fort Wayne defeated the Dogs by six points. Out of 787 teams, the Bulldogs were one of the four best in the state. It took the State Champs to beat C. H. S. Bulldogs. That is one consolation.

Columbus meets South Side of Fort Wayne at the State Finals.

GOLF

Under the coaching of Mr. George Herman Boots, this year's Golf team has a membership of eight. It boasts of four experienced linksmen.

Although very little has been done so far, there is no reason to doubt that our team will be outstanding this year. With Don Schumaker, La Verne Timbrook, Francis Gilmore, and Charles Fivecoats as old standbys, and four new prospects, who could doubt it?

Last year our men came out eighth in the state meet and third in the conference meet. Those going onto the state were: Edward Hutton, Don Schumaker, Charles Fivecoats, and Francis Gilmore.

On the won and lost basis—the Linksman lost to Shortridge and Martinsville, twice; won and lost once to Franklin; and won from Batesville.

All we can say is, "More Power to our Golfers".

TENNIS

"Interest in tennis rose to a new high this spring with the organization of two tennis clubs, one for adults in the community and the other for high school students. The two organizations have been co-operating in an attempt to improve playing conditions and to provide a program of inter-city and inter-school competition.

Columbus High School's tennis team, which is composed of Leif Knudsen, Douglas Hartley, John Marr, William Lowe, and Robert Stambaugh, has matches scheduled this season with Shelbyville, Franklin, Connersville, and Seymour. Next fall the team will enter the South Central Conference tennis tournament.

Although the record of the team has not been particularly impressive to date, prospects for a first class team within the next year or two are exceptionally bright because of the large number of freshmen and sophomore boys who have been trying out for the sport."

—Mr. William Sharp

C. H. S. "DOUGH" COLLECTORS

The concession stand this year was under the direction of Mr. Randall Yeager. His workers include three boys and seven girls. They supplied the football and basketball fans with refreshments during the home games.

A total of \$536.49 was taken in. A total profit of \$73.98 was left in the treasury. Besides paying for the supplies the concessionaires bought, the money was spent for a new counter, new jackets for the workers, convocation speakers, and the debaters expenses. The money is at the disposal of the office at all times.

Marcile Irle is secretary-treasurer and Fred Nickerson, her efficient assistant.

INTRAMURAL BASKETBALL CHAMPS

The rural boys and town boys, who do not have ample opportunity to play on our Bulldogs, have formed an intramural league.

The teams are divided according to townships or sections as the case may be. Those taking part are German, Clay, Clifty, Columbus, Sandcreek, Rockcreek, Western, (Ohio, Union, Harrison) and Wayne townships; Northwestern, Northeastern, Southwestern, and Southeastern (East Columbus) sections of Columbus.

East Columbus finished first and Clifty followed a close second.

Bill Clem coached the East Columbus boys and Robert Fushelberger was the brains of the team or the captain. Members of the Bulldogs and Pups refereed the games for experience.

Front Row—Mr. Yeager, Mary Williams, Dotty Thompson, Adrienne Wiseman, Juanita Cather, Mary Weddle.

Second Row—Norval Fischvogt, Marcile Irle, Robert Coles, Dorothy Anderson, Fred Nickerson.

Seated—Floyd Ault, James Snyder, Robert Hacker, Albert Mahoney, Bob Fushelberger.

Standing — Homer Woods, Harry Brooks, Bill Clem, coach; Charles Ault.

Seated—Irene Van Blaricum, Betty Edwards, Marcile Irle, Dona Jane Werhan, Lucinda Robertson.

Standing—Audrey Hill, Irene Jacobs, Mary Frances Lind.

Seated—Marcile Irle, Betty Jean Larkin, Miss Foster, Jean Lawless, Virginia Wells.

Standing—Alma Job, Lois Hughes, Betty Edwards, Hattie Evans.

BASKETBALL CHAMPS

The six periods of Monday and Thursday Physical Education girls and the three periods of Wednesday and Friday girls held an intramural class tourney this year.

The girls had played in class, and at the end of the basketball season a tourney was held. The games were played after school. The winners were from the sixth period Monday and Thursday class.

"C. H. S. SWIMMERS"

Columbus High School Mermaids are the best girl swimmers in C. H. S. Under the able assistance of Miss Euzetta Foster they do some "stylish" swimming.

Betty Larkin is the old stand-by having been on the teams for three years. She's noted for her diving. Marcile Irle, Betty Edwards, Alma Job, Virginia Wells do the crawl stroke with ease and grace.

New members on this year's team are: Lois Hughes, Hattie Evans, and Jean Lawless.

"IN ORDER TO LET YOU IN ON IT"

"Competitive sports for girls are conducted through an intramural program for rural girls and through the Girls' Club for city girls. We do not attempt to go into it as extensively as the boys do.

Our purpose is to develop clean sportsmanship, healthy bodies, team spirit, and recreational opportunities, which may be of some service in their future lives."

—Miss Euzetta Foster

MAY FESTIVAL

Every spring, Miss Euzetta Foster presents one of the extravaganzas of the year. She gives a review using all of the physical education girls. Last year's highlights were a Jack and Jill dance, a waltz, and a military drill with participants dressed as Uncle Sam.

When the trumpet sounded, the May Queen and her attendants entered stepping to the tune of "Glow-Worm". The girls were beautifully gowned. The Queen wore white taffeta and carried roses. The Maid of Honor, wearing aquamarine blue, crowned the Queen.

Through the efforts of the P. H. C., the platform was beautifully decorated with flowers and shrubs.

After the complete program was presented, the Queen and her attendants made their exits between two rows of girls clad as Uncle Sam. This was the finale of the presentation.

THE JUNIORS AND SENIORS HAVE THEIR NIGHT OUT

Every year the Juniors and Seniors look forward to the "big night" of the year. Then the Juniors become the hosts of the seniors. A program is presented, class presidents speak, refreshments are served, and after a grand march, the remainder of the evening is spent in dancing. One gay sight is presented when the faculty chaperons, and Junior and Senior girls arrive in formals.

Last year the gymnasium was elaborately decorated to represent the veranda and garden of a southern home in colonial days. Freshmen and Sophomore girls, dressed in Martha Washington costumes, served the refreshments and helped to carry out the atmosphere of a Colonial Ball.

The Campus Club Orchestra furnished the music for dancing and provided special acts to entertain between dances.

HONOR BRIGHT

Honor is a steadfast thing,
Like rocks and trees and deep cool springs.

It stands in places clean and high.
It shines like gold against the sky.

All lovely things, all good and great,
In honor's name received their fate.

A promise is the surer made
If, on my honor first is said.

Granite-like, if tried by fire,
It laughs at all the traitor's hire.

Its glory is a wordless creed.
That outlasts pain and fear and greed.

It lives and lives, its splendor sings,
For honor is a steadfast thing.
